SERP COLLECTION

La colección SERP se compone de tres módulos de soft seating cuidadosamente diseñados, la colección ofrece una experiencia cálida y cómoda en la creación de composiciones orgánicas adaptables a las diversas necesidades de tu espacio.

Made up of three carefully designed soft seating modules, the SERP collection offers a warm and comfortable experience by creating organic compositions that can be adapted to the different needs of your space.

Diseñada para crear ambientes informales que fomenten el aprendizaje, la comunicación y el descanso, aportando confort y calidez al espacio.

Designed to create informal environments that foster learning, communication, and relaxation, bringing comfort and warmth to the space.

SERP convierte cualquier entorno en un espacio multifuncional.

SERP turns any environment into a multifunctional space.

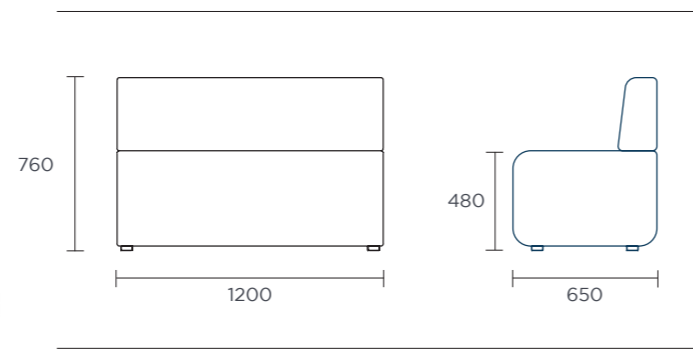

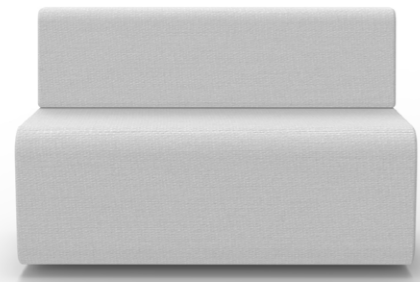

La mesa auxiliar se adapta a cualquier necesidad: perfecta para trabajar con el portátil o disfrutar de un café. Su diseño versátil permite usarla de forma independiente o unirla fácilmente con los sofás, creando un espacio más amplio y funcional

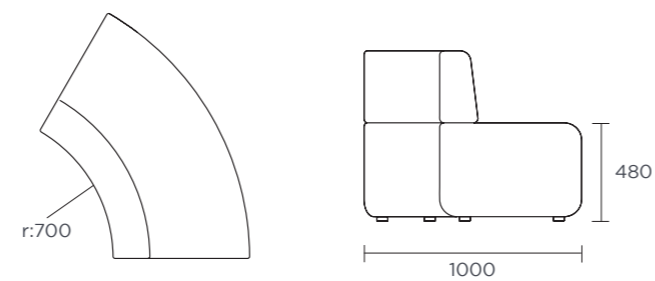

The side table adapts to any need: perfect for working on your laptop or enjoying a coffee. Its versatile design allows it to be used independently or easily joined with the sofas, creating a larger and more functional space.
