Description:

Whiteboard with vitrified steel magnetic surface, ideal for use with magnets or magnetic shapes.

Components:

Board:

- Board covered with a vitrified steel surface.

Frame:

- Anodized aluminum profile.

Corners:

- Durable plastic.

Main features:

- Suitable for writing with whiteboard markers.
- Includes aluminum frame and decorative corner pieces.
- Supplied with a 300 mm aluminum tray, map hanging accessories, and mounting hardware. 100% recyclable.
- Certified according to UNE EN 14434:2010.
- Certified according to UNE EN 11016:89.

Assembly:

- Can be installed vertically or horizontally.
- It is essential to secure all four anchor points to ensure the SAFETY of the installation.

Maintenance:

- Proper maintenance of the surface is recommended to keep it in perfect working condition.
- DO NOT clean the whiteboard surfaces with detergents or cleaning products that contain oils or grease (e.g., glass cleaners).
