Description

Teacher’s desk with drawer unit and modesty panel. Specially designed for teachers.

Components

Top:
- Premium top: Top with HPL surface (high-pressure laminate) on both sides, with a particleboard core and surrounded on all edges by 10mm thick solid beech wood. Available in 27mm thickness. Designed for heavy use in public spaces.
- Basic top: Double-laminated particleboard with melamine decorative paper and resistant melamine resins, 25mm thick. Edged all around with industrially glued PVC edging.

Surface:
- High-pressure decorative laminate (HPL), 1 mm thick.

Base:
- Injected aluminum.

Wooden legs:
- Solid beech wood.

Metal legs:
- Steel tube Ø 50x1.5mm. Epoxy paint.

Modesty panel:
- Basic top: Double-laminated particleboard with melamine decorative paper and resistant melamine resins, 19mm thick. Edged all around with industrially glued PVC edging.

Main features

- Sturdy.
