x ud/box x kg

Components

Sides, base, top, and shelves:
- 19 mm thick particleboard with 2 mm PVC edges and decorative laminate surfaces.

Back:
- 10 mm thick particleboard with decorative laminate surface.

Legs:
- 40 mm high PVC.

Main Features

- Removable.
- Shelves supported for maximum safety. Fixed using eccentric connectors.
- Easy and quick assembly.
- Leveling feet.
- Back panel provides greater rigidity and stability to the furniture.
- Rounded edges.

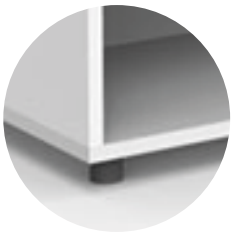

Maintenance

- Check the joints between parts.
- Check the condition of the legs.
- Check the condition of the shelves to ensure there are no breaks or cracks, and inspect their side anchors.

Cleaning

- Remove dust with a dry cloth or brush. Clean with a sponge or cloth using neutral soap or a mixture of water and vinegar. For stubborn dirt, grease residues, or stains, ammonia can be used.
