Actiflex Trapezoidal School Desk

Model 205

ud/caja

kg

Description

The single student desk from the Actiflex collection is ideal for active and collaborative learning. Available in sizes 3, 4, 5, and 6, it features adjustable legs and four wheels that make it easy to create dynamic group arrangements in the classroom.

Components

Top:
- Premium top: High-pressure laminated (HPL) surface on both sides, with a particleboard core and a solid beech wood edge (10 mm thick) around the entire perimeter. 21 mm thick board. Suitable for heavy use in public spaces.
- Basic top: Double-faced particleboard laminated with decorative melamine paper and resistant melamine resins, 25 mm thick. Edged on all sides with industrially glued PVC edging.

Legs:
- Metal leg: Steel tube Ø40x1.5 mm and Ø35x2 mm. Epoxy paint finish. Height adjustable.

Base:
- Injected aluminum.

Main features

- Robust.
- Modular.
- Silent.
- Mobile.
- Premium version features a top suitable for intensive use in public spaces.
- Detachable. Supplied unassembled.
- Height-adjustable metal leg available in sizes 3 to 6.
