DIDA PRO Two-Seater Desk

Model 500

ud/caja

kg

Description

Two-seater desk available in size 6. Ideal for active and collaborative learning. Its simple yet effective and sturdy design promotes interaction and teamwork.

Components

Top:
- Premium Top: Top with HPL surface (high-pressure laminate) on both sides, with a particleboard core, fully edged with 10mm solid beech wood. Available in 21mm thickness. Designed for heavy use in public spaces.
- Basic Top: Double-laminated particleboard with melamine decorative paper and durable melamine resins, 25mm thick. Fully edged with industrially glued PVC edging.

Metal Structure:
- Steel tube Ø35x1.5mm and Ø30x1.5mm. Epoxy paint finish.

Omega Bridge:
- Connection system between metal structure and top using an omega bridge connector with intermediate piece.

Main features

- Robusto.
- Cumplimiento de la norma UNE EN 1729-1.
- Sistema de unión de puente omega que proporciona una unión sólida y estable entre la estructura metálica y la tapa, garantizando integridad estructural.
- Dos niveladores (M10) en la zona del usuario.
- Con dos ruedas Ø50mm con freno en la zona delantera. Capacidad de 50kg
- Opcional: bandeja portalibros FG Box. Esta puede ir con todos los acabados de la colección DIDA.
- Opcional: rejilla metálica.
