Single straight SERP

SRI200

Single straight SERP

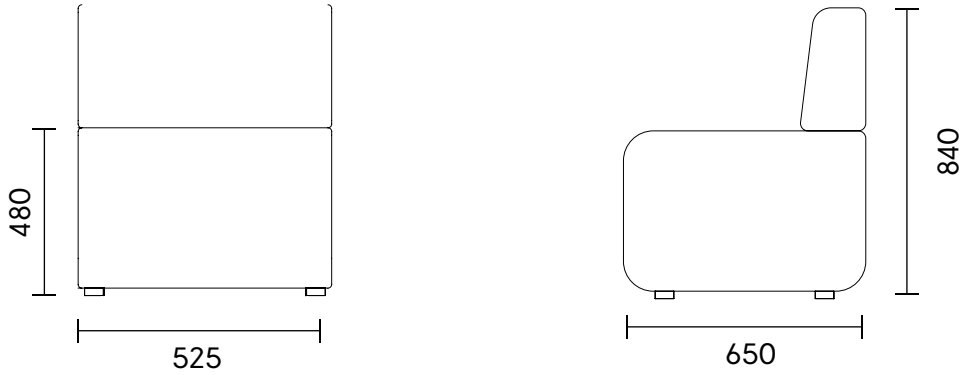

SRI200

Sofa collection with backrest. Designed to create informal environments that facilitate learning. The modular elements of the collection can be combined in many ways, offering a wide range of possibilities to suit different needs.

FABRICS

Plata Macadamia Basil Baltic Wine Cobre

Components

- Synthetic leather fabric (79% PVC – 21% PES)
- High-density foam interior (30 kg/m^3, high firmness)
- MDF base

Main features

- Modular.
- Robust.
- High-density foam with maximum durability.
- Abrasion-resistant.
- Waterproof.
- Easy to clean.

Fabric Features

- Fire retardant: EN 1021-1, EN 1021-2, BS 5852 source 0, BS 5852 source 1, Cal. Tb. 117, section 1.
- Martindale abrasion resistance: ISO 5472-2, No. of cycles: > 350,000 (12 KPA), class A.
- Colour fastness to light: EN ISO 105-B02: ≥ 5.
- Antibacterial: ISO 22196, inhibition rate: 99.9%. No bacterial growth.
- Antifungal: NP EN 14119 (Method B2). Antimycotic effect.
- SVHC: 155 chemical substances, Regulation (EC) No. 1907/2006.
- Free from Azo compounds, Phthalates, and DMF.
- Hydrolysis resistant.
- Low temperature resistant (-23º C)
- Vinyl Plus (protective finish against stains, microorganisms, and abrasives)
